

**NOTIFICATION – BELLA VISTA STATION PRECINCT**

**January 2020**

Sydney Metro is Australia’s biggest public transport project. North West Metro services started in May 2019, with 13 stations and 4000 new commuter car parking spaces.

The fast, safe and reliable driverless metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

**Bella Vista Station precinct finishing works**

From 6 January, works around the Bella Vista Station precinct will include:

Day work	
Project standard working hours are Monday to Friday 7am – 6pm and Saturday 8am – 1pm

The work areas are shown on the map overleaf.

No planned construction works will take place on these sites during the Christmas break, from 23 December to 5 January inclusive. Landscape maintenance/watering will take place in the station precinct during this period.

**What to expect**

- Vehicle movements and movement of materials to and from the site compound
- Temporary road and pedestrian access changes
- Traffic management, where required for the safety of workers and the community
- Access to buildings and driveways will be maintained at all times
- Machinery and vehicles used during this work include excavators, hand tools, vacuum trucks, light vehicles, concrete trucks, access equipment, cranes and other heavy vehicles.

**Thank you for your cooperation while we complete these essential works.**
