

NOTIFICATION – CHERRYBROOK STATION PRECINCT January 2020

Sydney Metro is Australia’s biggest public transport project. North West Metro services started in May 2019, with 13 stations and 4000 new commuter car parking spaces.

The fast, safe and reliable driverless metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

Cherrybrook Station precinct finishing works

From 6 January, works at Cherrybrook Station precinct will include:

| Day work | |
|--|--|
| Project standard working hours are Monday to Friday 7am – 6pm and Saturday 8am – 1pm | |
| Location | Detail |
| Cherrybrook Station precinct | Construction of a retail building next to Cherrybrook Station: <ul style="list-style-type: none"> • minor finishing works Decommissioning and removal of site compound. |

The work areas are shown on the map overleaf.

No planned construction works will take place on these sites during the Christmas break, from 23 December to 5 January inclusive.

What to expect

- Vehicle movements and movement of materials to and from the site compound, opposite the construction site
- Temporary road and pedestrian access changes
- Traffic management, where required for the safety of workers and the community
- Access to buildings and driveways will be maintained at all times
- Machinery and vehicles used during this work include hand tools, light vehicles, cranes, access equipment and other heavy vehicles.

Thank you for your cooperation while we complete these essential works.
