

NOTIFICATION – ROUSE HILL

January 2020

Sydney Metro is Australia's biggest public transport project. North West Metro services started in May 2019, with 13 stations and 4000 new commuter car parking spaces.

The fast, safe and reliable driverless metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

Rouse Hill finishing works

From 6 January, works at Rouse Hill will include:

Day work Project standard working hours are Monday to Friday 7am – 6pm and Saturday 8am – 1pm	
Location	Detail
Corner of Windsor Road and Commercial Road	Construction works for a new bus layover slip lane off Windsor Road, including: <ul style="list-style-type: none"> • fence reinstatement • minor finishing works. Decommissioning and removal of site compound.

The work area is shown on the map overleaf.

No planned construction works will take place on this site during the Christmas break, from 23 December to 5 January inclusive. Landscape maintenance/watering will take place in the area during this period.

What to expect

- Temporary road and pedestrian access changes
- Traffic management, where required for the safety of workers and the community
- Access to any affected buildings or driveways will be maintained at all times
- Plant and vehicles used during this work may include excavators, hand tools, light vehicles, concrete trucks, cranes and other heavy vehicles.

Thank you for your cooperation while we complete these essential works.
