Dear Stuart,

**Sydney Metro City and Southwest – Chatswood to Sydenham (SSI 15_7400)
Condition B11 Community Complaints Commissioner**

Thank you for your letter of 28 March 2017 nominating Ms Christine Marsden from Quatro Group as the Community Complaints Commissioner for this project.

The Department has reviewed Ms Marsden's curriculum vitae and is satisfied the nominee is independent of the project's design and construction personnel, and also has suitable experience and qualifications. On this basis, I approve Ms Christine Marsden as the Community Complaints Commissioner for the project, in accordance with Condition B11.

I also note that Condition B11 required you to nominate the Community Complaints Commissioner for the Secretary's approval within one month of the date of the infrastructure approval, and for the commissioner to be engaged during all works associated with the project. Given the delay in submitting the nomination, I ask that you ensure Ms Marsden is engaged in this role as soon as possible.

If you have any queries, please contact Jonathan Kerr, Infrastructure Management on 9274 6337 or at jonathan.kerr@planning.nsw.gov.au.

Yours sincerely,

 13-4-17
Stacy Warren
Director
Infrastructure Management
as delegate of the Secretary.
