

MONTHLY REPORT CITY & SOUTHWEST ACOUSTIC ADVISOR

For period:	April 2018	Authorisation:	
Prepared by:	Dave Anderson		
Date of issue:	7 May 2018		

Acoustic Advisor Activity

- Review and endorsement of CNVIS for the Bulk Excavation Works (TSE):
 - endorsement for the Bligh St component of the Martin Place site (Rev 6)
 - conditional endorsement for Marrickville bulk excavation CNVIS (Rev 6), revision 7 expected within two weeks, to address final comments which have been addressed in email correspondence. Marrickville CTMP has been requested for AA review as a condition of endorsement.
- Updated endorsement of SYAB CNVIS (rev F02)
- Reviews and discussions underway for SSJ and CSM CNVMP, and TSE bulk excavation Martin Place (excluding Bligh Street component), Barangaroo, Waterloo and Chatswood.
- A number of out of hours work (OOHW) applications for SYAB, CSM, the Northern Corridor Works (NCW) and TSE sites
- Attendance at Sydney Metro meetings with Department of Planning & Environment and with CSM contractors.
- Alternate Acoustic Advisor enacted 24th to 30th April 2018.

Inspections, audits and site visits

- Regular site inspections of noise management at Chatswood, Crows Nest, Victoria Cross North and South, Barangaroo, Martin Place, Bligh Street, Pitt Street, Marrickville and Waterloo.
- Attendance at Sydney Metro briefings with sensitive receivers at Crows Nest (Crows Nest Cosmetic & Vein Clinic, Labsonics recording studio, Crows Nest Day Surgery).
- Witnessed noise and vibration monitoring by TSE at OAC child care centre, 9/4/18.

Non-compliance and incident details

- Concerns raised by Macquarie Bank about vibration on 7 April at 9-19 Elizabeth Street, adjacent to Martin Place site; JHCPBG are currently investigating and will provide a response.

Noise and vibration complaints

- Noise and vibration complaints from Marrickville, Chatswood, Victoria Cross, Barangaroo, Martin Place, Pitt Street, Crows Nest, Sydney Yard Access Bridge – dealt with appropriately by contractors.

Ongoing and upcoming environmental risks

- Ongoing review of implementation of noise and vibration mitigation and management commitments during:
 - structural demolition and TSE site establishment, local area and utilities works;
 - TSE bulk excavation works
- Potential cumulative impacts as NCW works continue near TSE works at Chatswood Dive site

Recommendations (incl auditing)

None
