

## NOTIFICATION – SURVEY WORK: GLENWOOD

6 APRIL 2020

Sydney Metro is Australia's biggest public transport project. Metro North West services started in May 2019, with 13 stations and 4000 new commuter car parking spaces.

The fast, safe and reliable driverless metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

### Glenwood survey work

In November 2018, Sydney Metro approved the Glenwood Pedestrian Link, a pedestrian pathway designed to make it easier for residents to access the pedestrian bridge and Bella Vista Station. The approval was made subject to a number of conditions to manage any potential impacts. The property at 1 Swansea Court has been purchased to safeguard the future construction of the link.

Sydney Metro has continued to monitor demand for pedestrian and cycling access from Glenwood to the Bella Vista Station precinct, as well as traffic and parking conditions in the vicinity of the proposed link. This monitoring began in 2018 and will continue until mid-2020.

Sydney Metro and its contractors will be undertaking further assessments and survey work for the proposed link in coming weeks. The results of the monitoring and assessments will inform future plans for this link.

Sydney Metro will continue to keep the community informed about any project updates.

#### Contractor visits

Between 14 April and 5 June 2020, a number of visits and inspections will take place at 1 Swansea Court.

#### What to expect

- Light vehicle movements near 1 Swansea Court
- Use of survey and measuring equipment
- Access to nearby residences and driveways will be maintained at all times

Sydney Metro will continue to undertake work across its projects in accordance with current Government advice, and will continue to implement social distancing and travel and hygiene measures to protect employees and members of the community.

**Thank you for your cooperation while we complete these works.**
