**Other**

Sydney Metro and its' contractors are currently preparing the required management plans for submission under the MCoA. Information about proposed pre-construction activities and well as the construction programs and methodologies are being discussed with the ER at meetings as required.

The ERs have also been involved in initial reviews on the following management plans:

- OOHW Protocol;
- Pre-Construction Compliance Report;
- Compliance Tracking Program;
- Community Communications Strategy
- CEMP for demolition contractors (Delta and Metropolitan);
- Noise and Vibration Management Plan and CNVIS; and
- Construction Traffic Management Framework).

Yours sincerely
