

Notification – Utility work

15 July 2024

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, link new communities to rail services and support employment growth and housing supply.

John Holland CPB Contractors Ghella Joint Venture (JCG) has been awarded the contract to deliver 3.5 kilometres of twin metro rail tunnels between The Bays and Hunter Street and to excavate the Pyrmont and Hunter Street metro stations.

Upcoming utility work

We will install underground utility services along Paternoster Row to provide permanent power supply to our Pyrmont West site. Work will start from 22 July for approximately six weeks and will be scheduled between 7am and 5pm, Monday to Saturday.

Work activities during this time will include excavating a trench along the road and installing cables. We will implement a partial lane closure on Paternoster Row while work is happening. Traffic management will be in place to assist vehicles and pedestrians. Access to all properties will be maintained.

This work is subject to site and weather conditions and will be rescheduled to the next available shift if required.

Contingency shifts dependent on site, including utility asset owner requirements, and weather conditions may be required at night (between 5pm to 5am). Additional information will be provided in our weekly email update.

What will this mean for you?

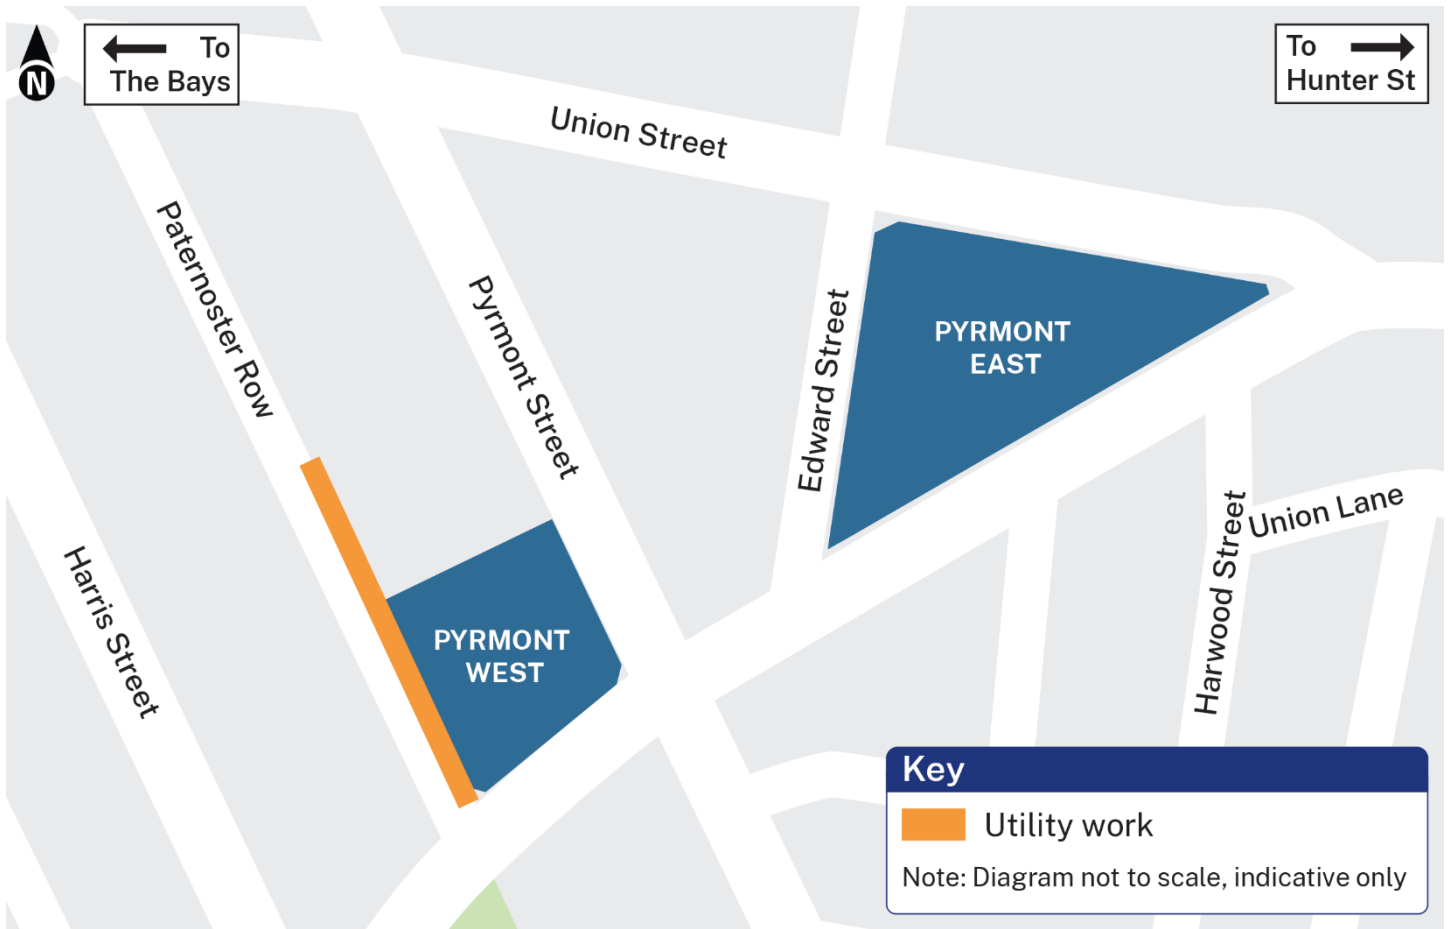

During work, you may notice:

- Periods of increased noise including use of excavators with hammer attachments
- Construction machinery and vehicles parked along Paternoster Row
- Presence of traffic management
- Temporary lane closure on Paternoster Row.

Equipment and machinery used

May include but is not limited to use of vacuum trucks, excavator with hammer attachments, hand tools and traffic management.

Work area

Contact us

Please contact JCG Community team on **1800 612 173** if you have any questions or would like to provide feedback about the work.

We will continue to keep you updated on the progress of work in your area. If you would like to receive weekly updates about our work, please send a request to MetroTunnelsJCGJV@transport.nsw.gov.au and we will add you to the distribution list.
