

Notification – Gate installation Pymont West

8 January 2025

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, link new communities to rail services and support employment growth and housing supply.

John Holland CPB Contractors Ghella Joint Venture (JCG) has been awarded the contract to deliver 3.5 kilometres of twin metro rail tunnels between The Bays and Hunter Street and to excavate the Pymont and Hunter Street metro stations.

Out-of-hours work

Out-of-hours work will be carried out between **6pm** and **6am** on **Wednesday 15** and **Thursday 16 January 2025** to install site safety gates at the entrance to our Pymont West site on Pymont Bridge Road.

Work activities will also include oversized deliveries and the unloading of materials within the acoustic shed.

Temporary lane closure

During this work a partial lane closure will be in place on Pymont Bridge Road. Traffic management will be in place to assist vehicles and pedestrians. Access to all properties will be maintained.

This work is subject to site and weather conditions and will be rescheduled to the next available shift if required.

What will this mean for you?

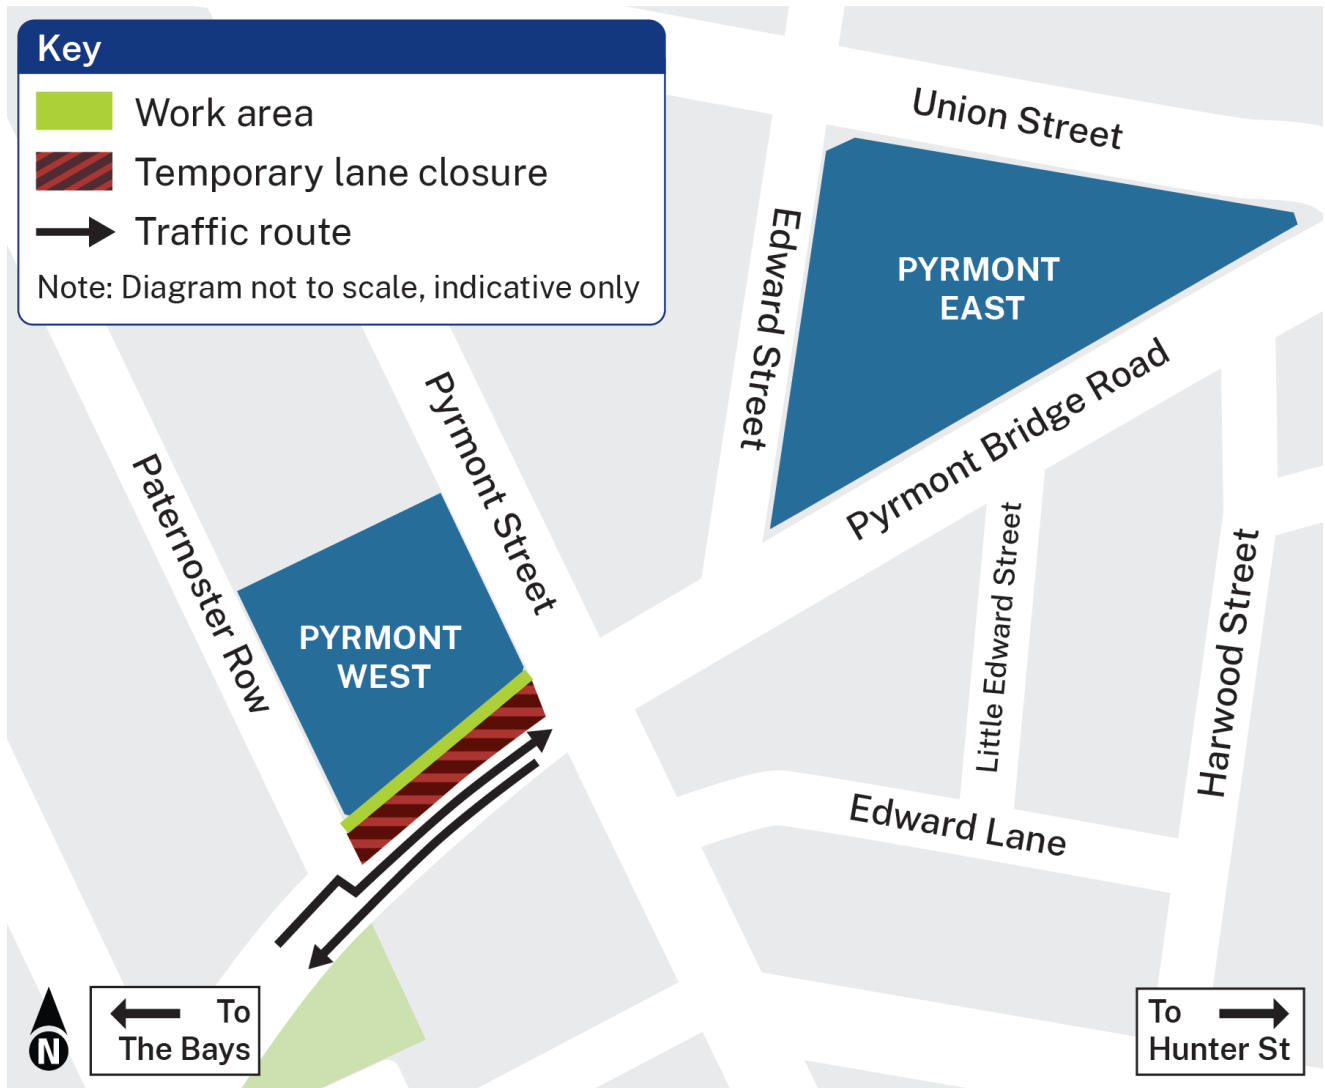

During work, you may notice:

- Periods of increased noise
- Construction machinery and vehicles parked along Pymont Bridge Road
- Presence of traffic management

Equipment and machinery used

Equipment and machinery used may include but is not limited to use of hand tools, mobile cranes, construction vehicles and traffic management.
