

Monthly update – Burwood North

24 April 2025

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, link new communities to rail services and support employment growth and housing supply.

Acciona Ferroviaria Joint Venture (AFJV) has been awarded the contract to deliver 11 kilometres of twin metro rail tunnels between The Bays and Sydney Olympic Park and excavate five new metro stations, including Burwood North Station.

Work during May

Tunnelling and the construction of the station box at Burwood North is now complete, with minor nozzle and tunnel work ongoing.

This will include:

- Ongoing tunnel decommissioning and completion work
- Delivery, construction and removal of reinforcement, waterproofing, formwork and concrete for the nozzle lining

This work will be carried out during standard construction hours:

- Monday to Friday 7am – 6pm and Saturday 8am – 6pm

Equipment used

Equipment used for this work includes but is not limited to: elevated work platforms, lighting towers, cranes, concrete pump, grout pump, rattle guns, welding equipment, water cart, sweeper truck, anchoring rig, CCTV truck, concrete saws, generator, tilt trays, scrubber fan, bobcats, forklifts, hand tools, trucks and light vehicles.

Activities associated with tunnelling, such as concrete pours, water treatment plant operation, removal of temporary tunnelling infrastructure and defect repairs inside the tunnel, are approved for 24-hour operation, seven days a week.
